

Using the 'Guest Payment' Tab to Make a Payment

To make a payment using our 'Guest Payment' portal, navigate to our online bill payment page:
<https://ammondkar.themailexchange.com> select the link to pay your bill online.

Select 'Guest Payments' on the top row. (For this method of payment, a user name and password is not required.) You can also select in the middle of the page on the left-hand side (Click Here for One Time Payments)

You will be redirected to the 'Make Payments' page. In order to make a payment, you must fill out the fields marked with an asterisk; the remaining fields are optional.

The Guarantor name does NOT need to match exactly to our records. However, the account number is required to match precisely for the payment to be credited to your account. The account number is located on the upper right hand side of your statement/invoice. The zip code will need to match the 'Billing Address' for your credit card in order for the credit card to be approved.
